Given Sarah's email, should I refrain from circulating? Or, circulate for our internal understanding?

Brian,

Pulling from the briefing paper as currently drafted, here's the main topic areas and who I think would likely cover each. If you're okay with this, I can share with the team.

Everett - Could you send a proposal to the ORC DB team as to who will (or could) cover which section of the current briefing paper? I'm not quite sure how we balance the briefing with WD folks too, but we can start with the ORC list and then send it to Sarah to see what she thinks.
